 Coffee Roasted with Okinawan Corals

Ice-cream of Okinawan Flavors

① Wonder of Rocks Trail

1,000m, approx. 35 min.

Walk through the world's northernmost tropical karst topography formed by the limestone layer elevation 200 million years ago. Give your own names to the rocks for their shapes.

Enmusubi "Matchmaking" Rock
 Two cuddling rocks for happy lovers.

Goku-Iwa "Monkey King" Rock
 Named after the famous rock of "Journey to the West", the monkey king Son Goku's birth place.

Easy trail
 An easy-to-walk trekking path.

② Churaumi Ocean View Trail

700m, approx. 30 min.

Enjoy the splendid view of ocean and Cape Hedo, the northernmost point of Okinawa, as well as Stone Forest Wall and other sacred places.

Stone Forest Wall
 One of Okinawa's biggest power spots with a lot of gods from the heaven and the earth.

Reincarnation Rock
 Walking through the rock 3 times is said to bring another life.

Churaumi Observation Deck
 Panoramic view of the ocean.

③ Wheelchair-Accessible Trail

600m, approx. 20 min.

Paved with wooden blocks, elderly people and wheelchair users can enjoy the trail with views of Eboshi-Iwa Rock and Nabe-Ike Pond. Roofed rest station available on the way.

Eboshi-Iwa Rock
 Intriguing shape formed in 200 million years.

Passage Way
 Appropriate for children, elderly people and wheelchair users.

Meoto-Iwa "The Wedded Rocks"
 Two rocks standing closely, symbolizing a blissfully wedded couple.

④ Subtropical Forest Trail

1,000m, approx. 30 min.

Walk through the dense forest full of subtropical trees and plants, where you can find gigantic Chinese Banyans and a colony of 60,000 Cycads, feeling the power of nature.

Cycads colony
 Impressive view of 60,000 Cycads of various sizes standing out of the rocks.

Chinese Banyan of Worship
 Japan's biggest Chinese Banyan Tree. Kijimuna, a forest elf, witnessed often here.

Agai-tida Utaki
 One of more than 40 worship places in Ashimui area, where Daiseikirinzan is located.
